WHY A CHURCH CAFÉ?

The quaint 4th Street Café which has a place in San Antonio history, is the ONLY distinctively Christian restaurant in San Antonio. The Café operates much like any other restaurant, but with a difference that makes it a special place to eat. This non-profit Café is run by paid staff and volunteers who serve our customers in varied ways. The Café's receipts support its operation and expenses. Tips help to support feeding for the homeless in programs and ministries with which the church affiliates.
